

# Élisée Reclus

## Down

- 1 what lifted him over Paris
- 3 he said anarchy is the highest expression of this
- 4 number of volumes in his master work
- 5 he initiated a movement of this, that would still be radical today
- 6 a plant-based eating practice he promoted
- 8 one of his titles, *Anarchy, Geography*, \_\_\_\_\_
- 9 in the US they're just more military, but in the Commune they were good guys
- 12 he said, humanity is nature achieving this
- 15 one of his famous partners in crime
- 17 what all relationships are
- 19 wrote a manifesto attacking the government in this city
- 20 he said that this and revolution are connected, not just in name
- 22 field he's best known for
- 23 this anti-lifestylist was influenced by Reclus through Mumford
- 27 Reclus joined him in aerostatic operations, also, "to swim" in Spanish

## Across

- 2 the state where he spent most of his time in the US
- 6 he inveighed against this common democratic process
- 7 he was a good man, also known as this
- 10 developed Reclus' work in the direction of "biosophy"
- 11 award he got although banished from France
- 13 his first and only legal wife
- 14 Reclus met him and became an anarchist, a not uncommon reaction
- 16 Sale said his work was unflinchingly this
- 18 a series of notes, and an anarchist who was influenced by him
- 21 his fellows, their intervention from Britain commuted his sentence to banishment
- 23 the term indicating relationship between people and land that his work anticipated
- 24 his job for two years in the US
- 25 currently a green-washing term, it used to be more significant
- 26 his writing was said to have "brilliant \_\_\_\_\_"
- 28 the original Bloom author, heavily influenced by a book Reclus edited
- 29 his non-state-sanctioned partner, also one of the names of a JD Salinger title
- 30 he was repulsed by it in the US south, as are we all
- 31 to vote is to give up your own this
